About India Justice Report 2022

The India Justice Report (IJR) 2022 is a collaborative effort undertaken in partnership with DAKSH, Commonwealth Human Rights Initiative, Common Cause, Centre for Social Justice, Vidhi Centre for Legal Policy and TISS-Prayas. First published in 2019, the third edition of the IJR adds an assessment of the capacity of State Human Rights Commissions. It continues to track improvements and persisting deficits in each state's structural and financial capacity to deliver justice based on quantitative measurements of budgets, human resources, infrastructure, workload, and diversity across police, judiciary, prisons and legal aid for all 36 states and UTs.
